Our summary

St. Lawrence County is seeking proposals from qualified contractors for a fencing project. Sealed proposals will be accepted at the county Purchasing Office in Canton and opened publicly on the stated date. The county also plans to livestream the opening over Zoom alongside the in-person reading, and interested vendors can find the link on the Purchasing Office page of the county website shortly before the opening. Detailed specifications are available for pickup at the Purchasing Office during business hours. A site visit can be arranged by contacting the county's Director of Governmental Services. Vendors are urged to submit early because late proposals will not be considered and the bidder bears the risk for mail or carrier delays. Each proposal must include a non-collusion statement, and envelopes should be marked with the proposal item and number and mailed to the Purchasing Office. The county reserves the right to reject any or all submissions. Respondents should review the full specifications before preparing their bids to ensure their proposal meets all stated requirements.
