## Our summary

ShoreRivers wants to retain one or more wetland restoration specialists on a contract basis for three years, beginning January 1, 2028. The chosen specialist would work with landowners to find and design wetland restoration or creation sites in priority areas that Chesapeake Bay funders would view favourably. Duties include helping prepare grant proposals and technical narratives, designing projects to Natural Resources Conservation Service standards, managing design and construction budgets and contractor selection, securing landowner agreements for construction and upkeep, arranging soils review and...
