Our summary

The Watertown School District's school board is seeking vendors to provide consulting and benefits advisory services for the district's self-funded employee health insurance program. The selected firm would deliver strategic, financial and analytical guidance along with advisory support tied to the plan. Respondents must show documented experience with self-funded health plans and familiarity with the relevant laws and regulations. Bidders must also demonstrate that they have enough staff and resources to meet the district's needs. Interested firms should obtain detailed specifications by contacting the district's business manager, Heidi Clausen, at the business office in Watertown. Written proposals must reach the business office by the stated deadline, sealed in an envelope clearly labelled as a self-funded health insurance proposal. The board reserves the right to reject any or all proposals and to waive irregularities. The notice was published in local legal publications in November...
