Our summary

The City of Beverly is requesting priced offers for a single line item covering the purchase of assorted gate valves in several sizes, quoted as one unit. The procurement is an open market bid run through the Commonwealth's COMMBUYS system, which accepts electronic quotes. The full bid documents, called the Invitation for Bids, are published on the city's bids web page rather than attached to this notice, so interested vendors need to consult that material before pricing. Submissions must reach the city before the stated opening time, and the bid opening is scheduled for early December 2026. No pre-bid conference is listed, and the notice does not set out special eligibility restrictions. Questions about the requirement or the submission process should be directed to the named city purchaser at the Cabot Street office. Goods would be shipped and billed to the same municipal address in Beverly, Massachusetts. Respondents should confirm unit specifications, pricing terms and any attachment requirements described in the full invitation before submitting a response.

Federal award history doesn't apply to this issuer

Federal award history covers federal contracts only. For state, local, education, private and non-profit RFPs, market context comes from the RFPs RFP Detector has seen: how active this issuer is, how many similar RFPs appear in the same state, and the typical published value once enough of them state one.
