Our summary

The County Executive's Office of San Mateo County is seeking qualified firms to provide as-needed website work for its office. Work covers creating, maintaining, enhancing, redesigning and migrating websites, including ongoing upkeep of the existing Fair Funding website. Required services include accessibility testing and remediation at code and content level, WordPress security and update management, multilingual support in Spanish, Chinese and Tagalog, and handover of documentation and administrative access. Additional services cover discovery and planning, design, development, search optimization, migration and site retirement, all authorized through written task orders. Proposals are submitted through the County's OpenGov eProcurement portal, with a letter of introduction, minimum qualifications, technical approach, schedule, references and a separate fee proposal. Proposers must confirm four years of similar experience within seven years and SAM registration with a UEI. Evaluation weights project approach, firm qualifications and team qualifications most heavily, with interviews possible...
