Our summary

The Olean City School District's Board of Education is seeking sealed dollar cost proposals from providers of professional speech language pathology services. The work covers the district's speech therapy needs for the remainder of the 2026-2027 school year. Proposals must be delivered in a sealed envelope to the district business office on West Sullivan Street in Olean, marked clearly as a proposal for speech language pathology services. Specifications can be collected from the business office during weekday business hours or downloaded from the district website. The board keeps the right to waive minor irregularities, to reject any or all proposals in whole or part, and to select any bid it judges best serves the district. Interested providers should read the specifications carefully, price their services in dollars, and submit before the closing time. The notice was signed by the district clerk on behalf of the board.
