Our summary

The Juniata County School District is seeking proposals from professional photography firms to deliver student portrait, athletics and general school photography across five schools in the district. The work covers yearly coverage of K-12 students and complete documentation of district sports programs. Interested firms must request the full scope document from the district secretary to the superintendent, who also handles all questions about the package. Responses are submitted as one digital PDF sent by email to the same contact before the stated deadline at noon. Late or incomplete submissions will not be considered under the district's standard process. Vendors should review the complete request carefully before preparing pricing and sample materials, and confirm that their studio can meet the coverage expectations across every building and activity listed in the full document.
