Our summary

The Oregon Department of Fish and Wildlife seeks a vendor to replace and install two standby generators at the Umatilla Fish Hatchery near Irrigon. The procurement is an invitation to bid conducted as a formal sealed competition under state administrative rules. Bidders must complete the bid pricing form included as an attachment and place it in their bid package. A mandatory pre-bid conference at the hatchery site is scheduled before submissions are due, and attendance is required to remain eligible. Supporting specifications and related attachments are provided in the solicitation document package. Responses are submitted electronically through the state bidding system, with the bid opening set for late December 2026. Questions and inquiries should be directed to the ODFW contract services mailbox, and delivery and billing addresses are listed in the attachments rather than on the page itself.
